

Music Group
Every Thursday 8.00 pm in the Church

Our Music Group adds to our worship through the ministry of music. The Group, currently 13 strong meets weekly on Thursday evenings to prepare music for worship. Hymns for the following Sunday are practised and items for the next festival services and occasional Sundays in between.

The Music Group is led by the organist and happy to sing unison or 4-part harmony. The style of music ranges from works by John Rutter & Herbert Howells, musical cantatas by Roger Jones to arrangements of contemporary songs
