

Ladies Open House
Every other Thursday, 10 am – 12 noon

Ladies Open House has been a feature of the church for a number of years. Originally there was just one group, but when there were too many people to be accommodated comfortably, another group was started.

There are, therefore, currently two groups of ladies who meet, very informally, every other Thursday in each other's houses for coffee and a chat and to give support to their friends in the group.

Occasionally there will be outings and each group goes out to lunch once or twice a year. Now and then the two groups meet together and the photos below were taken at one such recent get-together.
